

# From Those Who Have Been There:

*“This course has changed the way that I approach my personal, business and scouting life. Thank you for that gift.”*

*“The truth is it is hard to find words to adequately express my experience. The course far exceeded my expectations. I truly left Philmont with the want and need to be a servant leader.”*

“PLC exceeded my expectations and more importantly, I left Philmont with lots of new friends, a bag full of resources, and a deep desire of wanting more!!!”

“As for home, church, and Scouting...I believe I got my batteries re-charged and see life a bit more different than before.”

“I find it more important than ever to be more of a life partner with my wife, a contributing member of my church, and a Scouter who is needed in my District”
